

Attention Seniors!

Volunteers needed for an H7N9 Flu Vaccine Study

Who?

Healthy adults 65+

Need Information?

Phone: 404-727-4044

Email:

ecc.vaccine@emory.edu

The Vaccine Clinic at Emory Children's Center is working on a research study to see how effective and safe a new vaccine is against a new strain of influenza (H7N9)

Participation:

- 2 vaccine doses
- 6 - 7 clinic visits including 2 H7N9 vaccinations along with 5 follow up telephone calls in 13 months.
- Compensation
 - o \$75 for each of the two vaccination visits and \$75 for a separate screening visit, if applicable.
 - o \$50 for each office visit
 - o \$20 for each scheduled phone call
