

# **We Need Healthy Children 2-5 years of age to join a Cholera Vaccine Study!**

**EMORY**  
UNIVERSITY

## **What's Involved:**

- **Single dose of oral cholera vaccine**
- **4-6 clinic appointments**
- **Compensation:**
  - \$100 for screening/vaccine
  - \$75 clinic visits
  - \$25 phone call follow-up

**We are testing a cholera vaccine (Vaxchora) to see if it is safe and results in good immune responses in children**

***Interested!***
