

JUNE 2018 ROUND UP

Congratulations to Carleen Sabusap, PhD from the Sorscher Lab! She recently defended her dissertation, and will soon be leaving us for a postdoc at Vanderbilt.

TRAINEE

Congratulations to Osric Forrest, PhD from the Tirouvanziam Lab! He recently defended his dissertation and already left for an industry postdoc at EMD Serono.

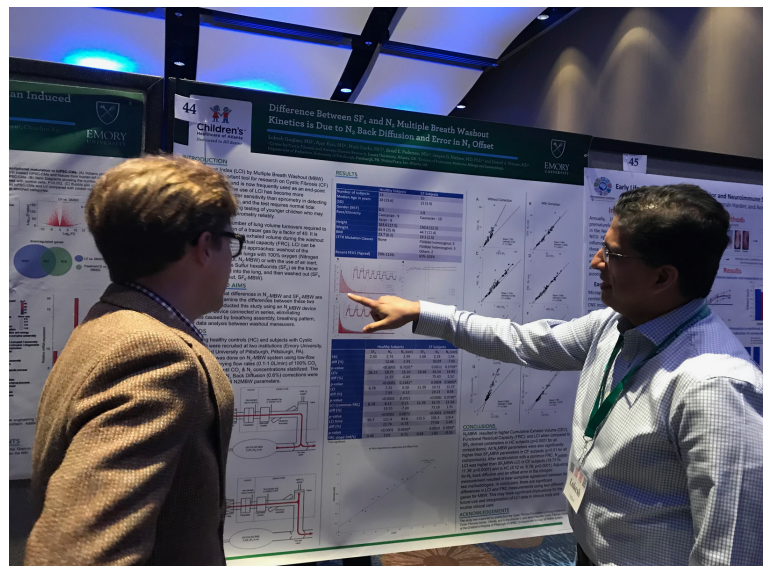

TRAINEE

Anne Fitzpatrick, PhD, APRN, CPNP, and team recently were awarded an Emory University Research Council (URC) and Georgia CTSA Pilot Grant. Learn more about the grant [here](#).

GRANT

CF-AIR was represented at the 2018 Southeastern Pediatric Research Conference on June 8. Eric Sorscher, MD, delivered a short talk, "A Perspective on Precision Therapeutics for Rare CFTR Alleles." Among the posters Drs. Chandler and Guglani were spotted!
