

### Past and Upcoming K-Clubs

SPRING 2022	TITLE	PRESENTED BY
5/9/2022		
4/11/2022		
3/14/2022	Finding the "Available Means of Persuasion": Rhetorical Strategies for Writing LOIs and Grant Proposals	Julie Hawk, PhD, Proposal Development Associate, Department of Pediatrics, Emory University
2/14/2022	Applying for NIH career development awards: options, interactions with NIH staff, and tips for submitting a strong application	Sergey Radaev, PhD, Program Director, National Institutes of Health (NIH), National Cancer Institute (NCI)
1/24/2022	The Research Funding Game: <i>The Search for Suitable Career Development Funding Opportunities</i>	Stacy Heilman, PhD, Associate Vice Chair for Research, Emory University Dept. of Pediatrics & Children's Healthcare of Atlanta; Panelists: Jennifer Q. Kwong, PhD, Assistant Professor, Pediatrics, Cardiology; Beth Stenger, MD, Assistant Professor, Pediatrics, Hematology/Oncology/BMT - Bone Marrow; Samantha M. Yeligar, MS, PhD, Associate Professor, Medicine, Pulmonary, Allergy, Critical Care and Sleep
FALL 2021	TITLE	PRESENTED BY
12/13/2021	Updates to the NIH Biosketch and Other Support documents: What an early career researcher needs to know	Presented by: Holly Sommers, Assistant VP for Research Administration, Office of Sponsored Programs and Stacy Heilman, PhD, Associate Vice Chair for Research, Emory University Dept. of Pediatrics & Children's Healthcare of Atlanta
11/8/2021	Rigor and Reproducibility in NIH Grant Applications	John S. "Pete" Lollar, III, MD, Professor of Pediatrics, Hemophilia of Georgia, Inc., Research Chair in Hemostasis, Aflac Cancer & Blood Disorders Center, Emory University School of Medicine
10/11/2021	The Goldilocks Approach to Acquiring CDA Funding - Finding the 'just right zone' for pursuing your research funding plans	Rebecca Levit, MD, Assistant Professor, Division of Cardiology, Emory University; Soumitri Sil, PhD, Associate Professor of Pediatrics, Emory University School of Medicine, Pediatric Psychologist, Director, Aflac Pediatric Psychology Clinic, Aflac Cancer and Blood Disorders Center, Children's Healthcare of Atlanta; Jennifer Spangle, PhD, Assistant Professor, Department of Radiation Oncology, Winship Cancer Institute of Emory University; Pamela D. Winterberg, MD, Director of Basic and Translational Research, Division of Nephrology, Department of Pediatrics, Emory University School of Medicine, Associate Professor, Division of Nephrology, Department of Pediatrics, Emory University School of Medicine
9/20/2021	Research Career Development - Featuring highlights of the local menu of programs and resources available to you!	Representatives for the following: 1. School of Medicine Resources; 2. Georgia CTSA Resources; 3. Scientific Core Resources; 4. Institutional K Grants; 5. Other funding mechanisms suitable for junior faculty; 6. Grant writing and grant editing support; 7. Other/misc
<i>No sessions held during summer months-June, July or August</i>		
SPRING 2021	TITLE	PRESENTED BY
5/10/2021	Perfecting and integrating the career development components of a K grant application	Jaime S. Rubin, Ph.D., Vice-Chair for Investigator Development, Professor of Medical Sciences (in Medicine) at CUMC, Department of Medicine, Columbia University
4/12/2021	Grant Writing 101: The Nuts and Bolts	Anne Fitzpatrick, PhD, RN, CPNP, MSCR, Professor, Department of Pediatrics, Emory University School of Medicine, Director - Asthma Clinical Research Program, Emory University School of Medicine, Division of Pulmonology, Allergy/Immunology, Cystic Fibrosis and Sleep

### Past and Upcoming K-Clubs

3/8/2021	What is data science and how can it help my research?	Lance A. Waller, PhD, Professor, Dept of Biostatistics and Bioinformatics, Rollins School of Public Health
2/8/2021	Using Graphics to Enhance Grant Proposals Hanover Research Video	Available during Q & A Session: John Adamson, Managing Director, Hanover Research Dr. Bryan DeBusk, Senior Grants Consultant at Hanover Research
1/11/2021	Top Ten Pearls for Abstract Submissions	Matt Oster, MD, MPH, Director, Children's CORPS (Cardiac Outcomes Research Program at Sibley Heart Center), Sibley Heart Center Cardiology, Children's Healthcare of Atlanta, Emory University School of Medicine   Emory University Rollins School of Public Health
<b>FALL 2020</b>	<b>TITLE</b>	<b>PRESENTED BY</b>
12/14/2020	Transitioning to Research Independence Part 3: NIH Review Process	
11/9/2020	Transitioning to Research Independence Part 2: Grantsmanship	Facilitator: Jennifer Villaseñor, Program & Research Manager, Dept of Pediatrics; Co-Facilitator: Stacy Heilman, PhD, Assistant Professor, Dept of Pediatrics; Guest: Janet Gross, PhD, Grant Writing Consultant and Course Director for the Emory MSCR Grant & Scientific Writing Class
10/19/2020	Transitioning to Research Independence Part 1: Types of NIH Awards	Panelists: Anne M. Fitzpatrick, PhD, MSCR, APRN, Professor, Dept of Pediatrics; Stacy Heilman, PhD, Assistant Professor, Dept of Pediatrics; Haydn T. Kissick, PhD Assistant Professor, Dept of Urology; Ravi M. Patel, MD, MSc Associate Professor, Dept of Pediatrics; Facilitator: Jennifer Villaseñor, Program & Research Manager, Dept of Pediatrics
9/14/2020	Conducting Your Research During COVID Times – How to pivot, maintain focus, and keep your research going.	Panelists: Larry Boise, PhD; Ann Chahroudi, MD, PhD; Kristy Rostad, MD; Rabin Tirouvanziam, PhD; Meredith Capasse, Children's IRB; Maria Davila, Emory IRB; Holly Sommers, Emory OSP Director, Assist VP Research; Stacy Heilman, PhD, Facilitator
<i>No sessions held during summer months-June, July or August</i>		
<b>SPRING 2020</b>	<b>TITLE</b>	<b>PRESENTED BY</b>
5/11/2020	Postponed to October 2020	In the interest of continuing social distancing as recommended by the CDC (CDC COVID-19), to flatten the curve of the COVID-19 pandemic and do our part to keep our community safe and healthy, we have decided to cancel the April and May K-Club meetings. Since K-Club does not meet during the summer months, the next two scheduled topics will be moved to September and October. For more information.
4/13/2020	Postponed to September 2020	In the interest of continuing social distancing as recommended by the CDC (CDC COVID-19), to flatten the curve of the COVID-19 pandemic and do our part to keep our community safe and healthy, we have decided to cancel the April and May K-Club meetings. Since K-Club does not meet during the summer months, the next two scheduled topics will be moved to September and October. For more information.
3/9/2020	FAIL is not a four-letter word: why success is more likely when you're willing to fail	Presenter: Jennifer M. Heemstra, PhD, Associate Professor, Department of Chemistry, Emory University

### Past and Upcoming K-Clubs

2/10/2020	How to get what you want from doing what you have to do	Facilitator: Andi L Shane, MD, MPH, MSc, Professor , Chief, Division of Infectious Disease, Department of Pediatrics, Emory University School of Medicine, Hubert Department of Global Health, Rollins School of Public Health, Marcus Professor of Hospital Epidemiology and Infection Prevention, Children's Healthcare of Atlanta, Panelists: Srikant Iyer, MD, MPH, Chief of Emergency Services, Children's Healthcare of Atlanta, Division Director, Pediatric Emergency Medicine, Professor, Department of Pediatrics, Emory University School of Medicine, Jesse T. Jacob, MD, Hospital Epidemiologist, Emory University Hospital Midtown, Associate Professor of Medicine, Emory University, Evan Orenstein, MD, Assistant Professor, Pediatric Hospitalist & Clinical Informaticist, Emory University School of Medicine, David S. Weiss, PhD, Associate Professor of Medicine/Div. of Infectious Diseases, Director, Emory Antibiotic Resistance Center, Emory University School of Medicine and Emory Vaccine Center
1/13/2020	ORCID, NCBI, and PMCID, oh my! Requirements and opportunities for managing your publications with efficiency and ease	Kimberly R Powell, MIS, Research Impact Informationist, Woodruff Health Sciences Center Library, Emory University and Jeremy Kupsco, PhD, Research Informationist, Woodruff Health Sciences Center Library, Emory University
<b>FALL 2019</b>	<b>TITLE</b>	<b>PRESENTED BY</b>
12/17/2019	How the NIH Works: Including Tips and Strategies for Having Effective and Valuable Interactions with Program Officers	Ann Namkung Lee, MPH, Associate Director, Basic Sciences Program, Division of AIDS, National Institute of Allergy and Infectious Diseases, National Institutes of Health
11/11/2019	Cultivating a Productive and Successful Relationship with a Biostatistician	Panelists: John Hanfelt, PhD, Professor & Interim Chair, Dept of Biostats & Bioinformatics, RSPH; Bob Lyles, PhD, Director, Biostatistics & Bioinformatics Core, Center for AIDS Research; Courtney McCracken, PhD, Director, Pediatric Biostatistics Core; Renee H. Moore, PhD, Scientific Director, Biostatistics Collaboration Core, Emory Integrated Core Facilities; Lance A. Waller, PhD, Professor, Dept of Biostatistics, RSPH, Dept of Medicine, DAB Core Technical Advisor
10/14/2019	Best practices in presenting your research- Tips and tricks to use in various venues and formats - Part 2 - focus on the additional venues and formats beyond the scientific manuscript	Daniel S. Wechsler, MD, PhD, Professor of Pediatrics, Oncology, Section Director of Oncology, Thomas R. Giddens Chair, Aflac Cancer & Blood Disorders Center, Children's Healthcare of Atlanta/Emory University
9/16/2019	The Fundamentals of Finding Funding: Considerations and strategies to find research funding that's right for you	Stacy Heilman, PhD, Assistant Professor and Director of Pediatric Research Operations, Emory University Department of Pediatrics & Children's Healthcare of Atlanta
<i>No sessions held during summer months-June, July or August</i>		
<b>SPRING 2019</b>	<b>TITLE</b>	<b>PRESENTED BY</b>
5/13/2019	Best practices in presenting your research – Tips and tricks to use in various venues and formats	Ihab Hajjar, MD, Associate Professor, Neurology, Emory University

### Past and Upcoming K-Clubs

4/8/2019	Navigating the rewarding but sometimes also tricky mentor/mentee relationship--Come hear from our panel of seasoned mentors and accomplished mentees with their advice on how to best navigate mentor/mentee dynamics	Facilitator: Andi L Shane, MD, MPH, MSc, Associate Professor, Division of Infectious Disease, Interim Chief, Department of Pediatrics, Emory University School of Medicine, Hubert Department of Global Health, Rollins School of Public Health, Marcus Professor of Hospital Epidemiology and Infection Prevention, Children's Healthcare of Atlanta, Mentors: David P. Carlton, MD, Marcus Professor of Pediatrics, Division Director of Neonatal-Perinatal Medicine, Emory University School of Medicine, Benjamin K. Stoff, MD, MA, Associate Professor, Department of Dermatology & Pathology & Laboratory Medicine, Senior Faculty Fellow, Emory Center of the Ethics, Staff Physician, Teledermatology, Atlanta VA Medical Center, Marcia McDonnell Holstad, PhD, FNP-BC, FAANP, FAAN, Research Professor, Professor Emeritus, and Marcia Stanhope Professor in Public Health, Nell Hodgson Woodruff School of Nursing, Co-Chair, Scientific Working Group on HIV and Aging, Emory Center for AIDS Research, Mentees: Benjamin Watkins, MD, Assistant Professor, Dept of Pediatrics, Emory University School of Medicine, Tricia Kesar, PT, PHD, Assistant Professor, Division of Physical Therapy, Department of Rehabilitation Medicine
3/11/2019	Rigor and Transparency to Enhance Reproducibility	Marvin Whiteley, PhD, Professor, Biological Sciences Georgia Institute of Technology, Bennie H. & Nelson D. Abell Chair in Molecular and Cellular Biology, Georgia Research Alliance Eminent Scholar, Associate Director, CF-AIR Center
2/11/2019	Lessons Learned from the K Application Process-- What I wish I knew then what I know now	Presenter: Janet Gross, PhD, Grant Writing Consultant and Course Director for the Emory MSCR Grant & Scientific Writing Class Panelists: I. Raul Badell, MD, Assistant Professor of Surgery, Emory Transplant Center, Emory University School of Medicine, Jonathan H. Kim, MD, MSc, FACC, Chief of Sports Cardiology, Department of Medicine, Division of Cardiology, Department of Orthopedics, Emory University, J. Lucas McKay PhD MSCR, Associate Director, Neuromechanics Laboratory, Assistant Professor, Coulter Department of Biomedical, Engineering, Emory University and Georgia Tech, Soumitri Sil, PhD, Assistant Professor of Pediatrics, Pediatric Psychologist, Aflac Cancer and Blood Disorders Center, Children's Healthcare of Atlanta, Emory University School of Medicine
1/14/2019	Mentorship – From a mentor's perspective	Lakshmanan Krishnamurti, MD, Professor of Pediatrics, Director of BMT Joseph Kuechenmeister Aflac Field Force Chair Aflac Cancer and Blood Disorders Center Children's Healthcare of Atlanta/Emory University
<b>FALL 2018</b>	<b>TITLE</b>	<b>PRESENTED BY</b>
12/10/2018	Research Funding Roadmaps: Highlighting pathways to funding success	Facilitator: Stacy Heilman, PhD, Assistant Professor, Director, Pediatric Research Operations, Emory University Dept. of Pediatrics & Children's Healthcare of Atlanta, Panelists: Kelly Bijanki, PhD, Assistant Professor, Neurosurgery, Dept. of Medicine, Emory University, Wilbur Lam, MD, PhD, Associate Professor, Hematology/Oncology, Dept. of Pediatrics, Emory University, Wallace H. Coulter Department of Biomedical Engineering, Georgia Tech & Emory University, Rebecca D. Levit, MD, Assistant Professor, Cardiology, Dept. of Medicine, Emory University, Claudia R. Morris, MD, Associate Professor, Emergency Medicine, Dept. Pediatrics, Emory University

### Past and Upcoming K-Clubs

11/12/2018	Let's Get Specific – The Importance of the Specific Aims Page	Daniel S. Wechsler, MD, PhD, Professor of Pediatrics & Director of Pediatric Oncology, Thomas R. Giddens Chair, Aflac Cancer & Blood Disorders Center, Children's Healthcare of Atlanta, Emory University School of Medicine
10/8/2018	Kiss of Death Mistakes in Grantsmanship	Facilitator: Stacy Heilman, PhD, Assistant Professor, Director, Pediatric Research Operations, Emory University Dept. of Pediatrics & Children's Healthcare of Atlanta; Presenters: Lou Ann Brown, PhD, Professor, Emory University Dept. of Pediatrics; Janet Gross, PhD, Grant Writing Consultant and Course Director for the Emory MSCR Grant & Scientific Writing Class
9/10/2018	Mentors, Collaborators, Contributors, and Consultants - How to organize and position your research team for funding and project success	Presenters: Stacy Heilman, PhD, Assistant Professor, Director, Pediatric Research Operations, Emory University Dept. of Pediatrics & Children's Healthcare of Atlanta; Kimberly Maune, MHA, Assistant Dean for Research Administration, Senior Director, Research Administration Services, Emory University, Rollins School of Public Health & School of Nursing; Amelia C Randall, MBA, Associate Clinical Administrator, Department of Pediatrics, Emory University School of Medicine
<i>No sessions held during summer months-June, July or August</i>		
<b>SPRING 2018</b>	<b>TITLE</b>	<b>PRESENTED BY</b>
5/14/2018	The Science and the Art of NIH Grant Review Understanding the application review process to improve grant writing skills	Facilitator: Stacy Heilman, PhD, Assistant Professor, Director, Pediatric Research Operations, Emory University Dept. of Pediatrics & Children's Healthcare of Atlanta, Panelists: Jessica Alvarez, PhD, RD, Assistant Professor of Medicine, Division of Endocrinology, Metabolism & Lipids, Emory University School of Medicine, David Guidot, MD, Director, Division of Pulmonary, Allergy, & Critical Care Medicine, Professor Emory University School of Medicine, Srini Tridandapani, MSEE, PhD, MD, MSCR, Assistant Professor, Radiology and Biomedical Engineering, Adjunct Professor, Electrical and Computer Engineering, Georgia Institute of Technology, Director, Radiology Research Track Residency Program, Director, Quality Imaging Laboratory (QualL)
4/9/2018	Customizing Your 'Candidate Information' Section for Successful Career Development Award Grant Funding Grantsmanship tips and strategies to create a winning career development plan	Stacy Heilman, PhD, Assistant Professor, Director, Pediatric Research Operations, Emory University Dept. of Pediatrics & Children's Healthcare of Atlanta and Janet Gross, PhD, Grant Writing Consultant and Course Director for the Emory MSCR Grant & Scientific Writing Class
3/12/2018	Georgia CTSA Roadshow: A personalized tour of the available research education offerings	Presenter: Andrew C. West, MBA, MHA, Center Administrator, Sr., Georgia Clinical & Translational Science Alliance/Panel: Jessica Alvarez, PhD, RD, Assistant Professor of Medicine, Division of Endocrinology, Metabolism & Lipids, Emory University School of Medicine and Elizabeth "Beth" Stenger, MD, Assistant Professor, Division of Hematology/Oncology/BMT - Bone Marrow, Department of Pediatrics, Emory University School of Medicine

### Past and Upcoming K-Clubs

2/12/2018	Transitioning from Mentee to Mentor	Discussion Leader: Lou Ann Brown, PhD, Professor, Emory University Dept. of Pediatrics; Panel:Pam Coltrane, Human Resources Director, Pediatrics, Larry Greenbaum, MD, PhD, Professor, Nephrology, Pediatrics, Larry Scahill, MSN, PhD, Professor, Marcus Autism Center, Pediatrics, Paula Vertino, PhD, Professor, Radiology Oncology, Winship
1/8/2018	The Evolution and Utility of a Functional Mentor Team	Facilitator: Stacy Heilman, PhD, Assistant Professor, Director, Pediatric Research Operations, Emory University Dept. of Pediatrics & Children's Healthcare of Atlanta Panel:Ravi Patel, MD, MSc, Assistant Professor of Pediatrics, Neonatology; Cassandra Josephson, MD, Professor, School of Medicine, Pathology; Kirk Easley, MS, MApStat, Biostatistician, Rollins School of Public Health; Patricia Denning, MD, Associate Professor of Pediatrics, Neonatology; David P. Carlton, MD, Professor of Pediatrics, Director, Division of Neonatology
<b>FALL 2017</b>	<b>TITLE</b>	<b>PRESENTED BY</b>
12/11/2017	Research Grant Applications: Checklist for Success	Stacy Heilman, PhD, Assistant Professor, Director, Pediatric Research Operations, Emory University, Department of Pediatrics, and Kimberly Maune, Assistant Dean for Research Administration, Senior Director, Research Administration Services, Emory University, Rollins School of Public Health & School of Nursing
11/13/2017	Expanding Research Endeavors through Industry Collaborations	Evan J. Anderson, MD, Associate Professor, Emory University, Pediatrics, Infectious Disease, Investigator in the Vaccine & Treatment Evaluation Unit (VTEU), and Wilbur A. Lam, MD, PhD, Associate Professor, Emory University, Pediatrics, Division of Hematology/Oncology, Wallace H. Coulter Department of Biomedical Engineering, Georgia Tech & Emory
10/9/2017	Research dissemination: preprints, data repositories, and the traditional journal	Gary Miller, PhD, Professor and Associate Dean for Research, Rollins School of Public Health, Department of Environmental Health
9/11/2017-- CANCELED DUE TO HURRICANE HARVEY. RESCHEDULED FOR 1/8/18.	The Evolution and Utility of a Functional Mentor Team	Facilitator: Stacy Heilman, PhD, Assistant Professor, Director, Pediatric Research Operations, Emory University Dept. of Pediatrics & Children's Healthcare of Atlanta Panel:Ravi Patel, MD, MSc, Assistant Professor of Pediatrics, Neonatology; Cassandra Josephson, MD, Professor, School of Medicine, Pathology; Kirk Easley, MS, MApStat, Biostatistician, Rollins School of Public Health; Patricia Denning, MD, Associate Professor of Pediatrics, Neonatology; David P. Carlton, MD, Professor of Pediatrics, Director, Division of Neonatology
<i>No sessions held during summer months-June, July or August</i>		
<b>SPRING 2017</b>	<b>TITLE</b>	<b>PRESENTED BY</b>
5/8/2017	Non-K Career Development Awards	Glaivy Batsuli, MD, Assistant Professor of Pediatrics, Aflac; Abhinav Dey, PhD, Postdoctoral Fellow, Dept of Pediatrics, Aflac; Rebecca Levit, MD, Assistant Professor of Medicine, Cardiology; Katherine Minson, MD, Assistant Professor of Pediatrics, Aflac; Alanna Morris MD, MSc, Assistant Professor of Medicine, Cardiology; Cherry Wongtrakool MD, Assistant Professor of Medicine, Pulmonary

### Past and Upcoming K-Clubs

4/10/2017	Rigor and Reproducibility in NIH Grant Applications	Janet Gross, PhD, Grant Writing Consultant, MSCR Program Instructor; Gary Miller, PhD, Professor and Associate Dean for Research, Rollins School of Public Health, Department of Environmental Health; Russ Price, PhD, Associate Vice Chair for Research, Department of Medicine
3/20/2017	Special K-Club: "From Failure to Success: A Practical Guide"	Panelists: Carlos Del Rio, Hubert Professor and Chair of the Department of Global Health at the Rollins School of Public Health, Professor of Medicine in the Division of Infectious Diseases at Emory University School of Medicine, Program Director of the Emory AIDS International Training and Research Program, and co-Director of the Emory Center for AIDS Research (CFAR); Sandra Dunbar, Professor of Nursing and Associate Dean for Academic Advancement, School of Nursing; Carla Freeman, Professor of Women's, Gender, and Sexuality Studies and Senior Associate Dean for Faculty, Emory College; Gregory Waymire, Asa Griggs Candler Professor of Accounting, Goizueta Business School
3/13/2017	How to create a successful mentoring relationship	David M. Guidot, MD, Jeffrey R. Pine Chaired Professor of Medicine, Director, Division of Pulmonary, Allergy, Critical Care & Sleep Medicine, Emory University School of Medicine
2/13/2017	Postponed to 3/13/17	
1/9/2017	At The Click of a Mouse...The research grant related resources at your fingertips. A tour of several local resources to help you with your quest to secure research grant funding	Stacy Heilman, PhD, Research Program Director, Emory University Dept. of Pediatrics & Children's Healthcare of Atlanta; Kimbi Hagen, EdD, Assistant Professor, School of Public Health; Russ Price, PhD, Associate Vice Chair for Research, Department of Medicine
<b>FALL 2016</b>	<b>TITLE</b>	<b>PRESENTED BY</b>
12/12/2016	Grant Application Reviews: Read, React & Respond--How to interpret reviewer comments and decide on next steps	Stacy Heilman, PhD, Research Program Director, Emory University Dept. of Pediatrics & Children's Healthcare of Atlanta Panel: Ann Chahroudi, MD, PhD, Assistant Professor, Department of Pediatrics; Jonathan Ho-Youn Kim, MD, Assistant Professor, Department of Medicine; Igbo Ofotokun, MD, Professor, Department of Medicine; Thomas Ziegler, MD, Co-Program Director, Research Education, Training and Career Development Core, ACTSI
11/14/2016	The Alphabet Soup of Submitting Your Grant Application	Facilitator: Kimberly Maune, Senior Director, Research Administration Services, School of Public Health; Panel: Pamela D. Winterberg, MD, Assistant Professor, Department of Pediatrics; Kimbi Hagen, EdD, Assistant Professor, School of Public Health; Lois J. Fussell, CRA, Manager, PHN Pre-Award, Research Administration, School of Public Health; Late addition to panel: Andrew West, Senior Administrator, ACTSI (Shelle W. Bryant, Senior Associate Director, Programs, School of Public Health was ill)
10/10/2016	Putting pen to paper: A framework for writing your K application	Janet Gross, PhD, CEO, Research Solutions & Grants Tutorial Director, Emory University Office of Postdoctoral Education

### Past and Upcoming K-Clubs

9/12/2016	The Art & Science of K Grant Application Planning; Laying the groundwork for a successful K application	Facilitator: Stacy Heilman, PhD, Research Program Director, Emory University Department of Pediatrics & Children's Healthcare of Atlanta Panelists: Lou Ann Brown, PhD, Professor, Dept. of Pediatrics (Neo); Anita McElroy, MD, PhD, Assist Prof, Dept of Pediatrics (ID); Igbo Ofotokun, MD, MSc, Professor, Dept of Medicine (ID); Kehmia Titanji, PhD, Assistant Professor, Dept of Medicine (Endo)
<i>No sessions held during summer months-June, July or August</i>		
<b>SPRING 2016</b>	<b>TITLE</b>	<b>PRESENTED BY</b>
5/9/2016	New NIH grant application Rigor and Reproducibility requirements: Reviewer Perspectives	Faculty Panel Discussion, facilitated by Stacy Heilman, PhD, Research Program Director, Emory University Department of Pediatrics & Children's Healthcare of Atlanta
4/11/2016	Celebrating the one year anniversary of the New NIH Biosketch	Stacy Heilman, PhD, Research Program Director, Emory University Department of Pediatrics & Children's Healthcare of Atlanta Panelists: Russ Price, PhD, Paul Spearman, MD and Gary Miller, PhD
3/14/2016	Navigating the Complex World of Collaborative Research. A discussion of how to best position consultants, external collaborators, and consultants in research	Holly Sommers, Director Office of Sponsored Programs, Emory
2/8/2016	Laying the Groundwork for a Successful Research Career: Important considerations related to the faculty promotion process	Kathy Griendling, PhD, Professor, Department of Medicine Clint Joiner, MD, PhD, Professor, Department of Pediatrics Shannon L. Meeks, MD, Associate Professor, Department of Pediatrics Nitika Gupta, MD, Associate Professor, Department of Pediatrics Jesse Jacob, MD, MSc, Associate Professor, Department of Medicine
1/11/2016	NIH Loan Repayment Program Application Roadmap	Matt Oster, MD, MPH, Andi Shane. MD, MPH and Lisa Cranmer, MD, MPH
<b>FALL 2015</b>	<b>TITLE</b>	<b>PRESENTED BY</b>
12/14/2015	Demystifying the NIH Scientific Review Process	Karyl B. Swartz, Ph.D. , Director, Division of AIDS, Behavioral and Population Sciences, Center for Scientific Review, NIH
11/9/2015	Time Management for Researchers	Moderators: Paula Gomes and Robin Huskey, Emory Faculty Staff Assistance Program
10/12/2015	Your Research BFFs: Connecting with the mentors, expertise and services you need to submit a strong research proposal	Panelists:representation & perspectives from mentor, division dir., ACTSI, IRB, biostats & grant writing
9/14/2015	Customizing Your 'Candidate Information' Section for Successful Career Development Award Grant Funding: Grantsmanship tips and strategies to create a winning career development plan	Janet Gross, PhD & Stacy Heilman, PhD
<i>No sessions held during summer months-June, July or August</i>		
<b>SPRING 2015</b>	<b>TITLE</b>	<b>PRESENTED BY</b>
5/11/2015	Lather, Rinse, Repeat: Focus on Research Grant Resubmissions--Come and learn proven strategies and approaches to effectively address reviewer criticisms & turn your unfunded grant application into an extramurally funded award.	Panelists: Shannon Gourley, PhD, Assistant Professor, Dept of Pediatrics Alicia Lyle, PhD, Postdoctoral Fellow, Dept of Medicine Amir Rezvan, MD, Assistant Professor, Dept of Medicine

### Past and Upcoming K-Clubs

4/13/2015	Becoming the Boss: Tactical tips for getting your research program off the ground--Part II	Jeremy M. Boss, Ph.D., Professor and Chair, Department of Microbiology and Immunology, Emory University School of Medicine
3/9/2015	Demystifying the New NIH Biosketch—Part II: Focus on NIH Grant Reviewer Reactions & Perspectives	Stacy Heilman, PhD, Research Program Director, Emory University Department of Pediatrics & Children's Healthcare of Atlanta
2/9/2015	How to talk to your chair—and other reflections on a career in academic medicine”	Barbara J. Stoll, MD; George W. Brumley, Jr., Professor and Chair, Department of Pediatrics, Emory University School of Medicine, Director, The Pediatric Center of Emory and Children's Healthcare of Atlanta, President, Emory-Children's Center
1/12/2015	The RAS and You: Partnering for Success--Part II – Focus on post award	Panel Discussion: Research Administration Services Panelists: Mandi Blochberger, Research Administrator, Post Award Lead, Department of Medicine, Joann Franko, Research Administrator, Post Award Lead, Pediatrics, Breggie James, Research Administrator, Post Award III, Department of Medicine, Dean J Kleinhenz MBA, CRA, Research Administrator, Post Award III, Department of Medicine, Deborah Snyder, M.A., cRAE, Research Administrator, Post Award III, Pediatrics Faculty Representative Panelist: Andi L Shane MD, MPH, MSc, Associate Professor, Dept of Pediatrics
<b>FALL 2014</b>	<b>TITLE</b>	<b>PRESENTED BY</b>
12/8/2014	Becoming the Boss: Tactical tips for getting your research program off the ground	Jeremy M. Boss, Ph.D., Professor and Chair, Department of Microbiology and Immunology, Emory University School of Medicine
11/10/2014	Making the move from K to R funding	Presentation and Panel Discussion Moderation by: Janet Gross, PhD, CEO, Research Solutions & Grants Specialist Consultant, Emory University Office of Postdoctoral Education; Panelists: Beau Bruce, MD/Ophthalmology; Wilbur Lam, MD, PhD/Pediatrics, Hematology & Oncology; Alejandra San Martin, PhD/Medicine, Cardiology; Paul Spearman, MD/Pediatrics, Infectious Disease
10/13/2014	Information in – results out; how informationists can guide your K journey	Emily Lawson, MSLIS, AHIP, Clinical Information Librarian, Medical Library, Children's Healthcare of Atlanta; Mia White, MILS, AHIP, Medical Education & Technologies Informationist, WHSC Library, Emory University
9/8/2014	Checklist for Grant Success: Key steps in planning your research grant submission	Stacy Heilman, PhD, Program Director & Grants Advocate, Emory University Dept of Peds and Children's Healthcare of Atlanta
<i>No sessions held during summer months-June, July or August</i>		
<b>SPRING 2014</b>	<b>TITLE</b>	<b>PRESENTED BY</b>
5/12/2014	The Non-K's of the CDA's: Non-NIH Funding for Career Development	Sheila Angeles-Han, MD, Craig Castellino, MD, Madeleine Hackney, PhD, Anita McElroy, MD, PhD, Cary Sauer, MD, and Samantha Yeligar, PhD
4/14/2014	Everything but the Science: The importance of supporting documentation in your research grant application	Andrea (Andi) Shane, MD, MPH, MSc, Associate Professor; Stacy Heilman, PhD, Research Program Director; Cindy Parry, BFA, CRA, Sponsored Research Administrator, Pre-Award Lead
3/10/2014	Transitioning to Research Independence	Michael E. Davis, PhD, Associate Professor, Dept of BME; Shannon L. Gourley, PhD, Assistant Professor, Dept of Pediatrics; Jeremy Herskowitz, PhD, Instructor, Dept of Neurology; Igho Ofotokun, MD, Associate Professor, Dept of Medicine; Alejandra San Martin, PhD, Assistant Professor, Dept of Medicine

### Past and Upcoming K-Clubs

2/10/2014	The Anatomy of an NIH Grant	Paul Spearman, MD, Nahmias-Schinazi Professor & Vice Chair for Research, Emory University Dept. of Pediatrics, CRO
1/13/2014	The Importance of Being Earnest, or at Least Appropriate: How to publish and communicate your science	Chris Gunter, PhD, Consultant, Marcus Autism Center
<b>FALL 2013</b>	<b>TITLE</b>	<b>PRESENTED BY</b>
12/9/2013	The Mentor/Mentee Match	Panel Discussion: Lou Ann Brown, PhD Professor, Neonatology Emory University Department of Pediatrics; Anne M. Fitzpatrick, PhD, MSCRN, APRN Assistant Professor and Director, Asthma Clinical Research Program Emory University Department of Pediatrics; Sampath Prahalad, MD, MSc Associate Professor, Division of Rheumatology Department of Pediatrics, Emory University School of Medicine; Sheila Angeles-Han, MD, MSc Assistant Professor of Pediatrics and Ophthalmology Department of Pediatrics, Emory University School of Medicine; Theodore (Ted) M. Johnson II, MD, MPH Paul W. Seavey Chair in Medicine Emory General Medicine & Geriatrics, Interim Chief, Hospital Medicine Emory Center for Health in Aging; E. Camille Vaughan, MD, MS Assistant Professor of Medicine Division of Geriatric Medicine and Gerontology
11/11/2013	Focus to Fit Funds: Strategies in packaging research grant applications to specific grant funding mechanisms and agencies	Panel Discussion: Saul Karpen, MD, PhD – Professor of Pediatrics (GI, Hepatology and Nutrition); Subra Kugathasan, MD – Marcus Professor Pediatrics (Human Genetics/GI); M. Neale Weitzmann PhD – Assoc Prof of Medicine (Endocrinology); Janet Gross, PhD – CEO, Research Solutions & Co-Director MSCR594 Grant & Scientific Writing & Proposal Development Consultant at Emory University
10/14/2013	Laying the Groundwork for a Successful Career	Panel discussion: Manuel A. Eskildsen, MD – Assoc Prof of Medicine, (Geriatrics) Kathy Griendling, PhD – Professor of Medicine, (Cardiology) Andi L. Shane MD, MPH, MSc – Assoc Prof of Pediatrics, (ID) Hal Simon, MD, MBA – Professor of Pediatrics, (Emergency Medicine) Miriam Vos, MD, MSPH – Assoc Prof of Pediatrics, (Gastroenterology)
9/9/2013	Checklist for Grant Success: Key steps in planning your research grant submission	Stacy Heilman, PhD, Program Director & Grants Advocate, Emory University Dept of Peds and Children's Healthcare of Atlanta
<i>No sessions held during summer months-June, July or August</i>		
<b>SPRING 2013</b>	<b>TITLE</b>	<b>PRESENTED BY</b>
5/13/2013	Regulatory Jeopardy	Andi L. Shane, MD, MPH, MSc, Assistant Professor, Division of Infectious Disease, Department of Pediatrics, Emory University School of Medicine
4/1/2013	NIH Grant Application Reviews: What happens behind the closed doors	Carlos Del Rio, MD, Hubert Chair and Professor of Global Health, Professor of Medicine (Infectious Diseases); Saul Karpen, MD, Raymond F. Schinazi Distinguished Biomedical Chair & Professor of Pediatrics, Division Chief, Pediatric Gastroenterology, Hepatology and Nutrition; Roberto Pacifici, MD, Garland Herndon Professor of Medicine, Director, Division of Endocrinology, Metabolism and Lipids; Charles D. Searles, Jr., MD, Associate Professor of Medicine (Cardiology)

### Past and Upcoming K-Clubs

3/11/2013	Successful Career Development Awardees & the Secrets to their Success	Shannon L. Meeks, MD, Assistant Professor of Pediatrics, (Hematology/Oncology) Diana I.
