

K-Club

**Safely accelerating your research
with AI**

Evan Orenstein, MD

Pediatrics Hospitalist, Chief Medical Informatics Officer,
VP Data and Analytics,
Children's Healthcare of Atlanta,
Associate Professor,
Emory University School of Medicine,
Department of Pediatrics

Naveen Muthu, MD

Pediatrics Hospitalist, Children's Healthcare of Atlanta,
Director, Research and Innovation Technology,
Associate Professor,
Emory University School of Medicine,
Department of Pediatrics

Join us for a timely K-Club session on the rapidly evolving topic of AI in research. Attendees can expect to learn how to use discretion with AI tools and develop guidelines for optimal usage. Come prepared with questions and leave with a better understanding of applying key AI-related methodological and ethical considerations in your research!

**4/13/2026 12:00 PM
