The Georgia Aquarium parking deck is a ticketless and cashless operation. When you arrive, the system scans your license plate and automatically raises the entry gate. You're free to park on any level and follow the signs throughout the garage that lead to the Oceans Ballroom.

Prior to paying for parking, please make sure to know your license plate number and check with the staff inside your event space to receive either discounted or complimentary parking.

Once parked, follow directional signage to the Oceans Ballroom on Level 1 of the parking deck. Please use the elevators located on the corner of Ivan Allen Jr. Blvd and Luckie Street marked with the Oceans Ballroom sign, as seen here. The elevators NOT marked with the additional Oceans Ballroom sign will bring you to the Main Aquarium Entrance.
