## About this Event:

Join us for a new seminar featuring fast-paced, rapid-fire presentations from clinical and basic science pediatric cardiology researchers seeking collaborators and input on their projects.

Fellows, faculty, and graduate students are all welcome and encouraged to attend and present their research!

Attend in person at AMBH or join via Zoom. Coffee and light snacks will be provided, and you're welcome to bring your own lunch. While in-person attendance is encouraged, virtual participation is available as well.
