

K-Club

Why are we here?

Being intentional with how we manage our time

Join us for a special K-Club session at a special day and time, led by Dr. Ulemu Luhanga as she shares advice on time management. Attendees will learn strategies to manage their overall time effectively and intentionally as an early-career researcher. Come prepared with questions!

Ulemu Luhanga, PhD, MEd, MSc

Associate Professor, Department of Medicine
Director, Educational Development and Scholarship,
Office of Graduate Medical Education,
Emory University School of Medicine
