Note from the Director, Dr. Nael McCarty

Hi, team.

We've had another great month in CF-AIR. While the schedule for our group events is shorter this month, due to Thanksgiving holiday, we have lots of great things to look back on from October and November! Of course, last month we had a great showing at the North American CF Conference in Seattle. FYI, this is the largest annual CF conference, internationally. We had lots of folks talking about their great science, and had a lot of fun at our CF@LANTA event on Thursday night. You'll see more on that in the next newsletter. Congrats to the awardees in the October 30 Social, shown in the photos to the right! I hope you have a wonderful holiday next week, and get to spend time with close family and friends. See you in December! -Nael

Halloween at CF-AIR

Our October social celebrated fall birthdays and Halloween, along with a fun and creative costume contest. Winners included: *Mahesh Shrestha* (Scariest Costume), *Susan Stephenson, PhD, Xiao-Du Ping and Gail Dallalio* (Funniest Costume, pictured below), and the *Oliver Lab* (Best All Around Costume, pictured at bottom). Congrats to our winners and thank you all for a great celebration!

Thank you to our recent Seminar Series speakers

A special thank you to Dr. Bum-Yong Kang (pictured below), who presented at the joint HeRO/CF-AIR seminar on November 13th. Many thanks also to all of those who participated in our session on November 6th, sharing thoughts on "What We Learned at NACFC." We look forward to seeing you all again soon!
