

Code of Conduct

The Annual Southeastern Pediatric Research Conference is committed to providing a safe, respectful, inclusive, and professional environment for all participants.

Harassment, discrimination, bullying, retaliation, or other inappropriate behavior will not be tolerated at any conference activity. All attendees, speakers, sponsors, staff, and guests are expected to treat others with professionalism and respect.

Reporting a Concern

Concerns may be reported confidentially to a designated Conference Safety Officer, by email or phone. Reports will be addressed promptly and appropriately. Individuals who violate this Code of Conduct may be asked to leave the conference and may be subject to additional institutional action.

Immediate Safety Concerns

For an immediate safety or security concern while at the Georgia Aquarium, please notify Aquarium security or conference staff.

By participating in the conference, attendees agree to uphold these standards and help foster a welcoming environment for all.
