## Events & Announcements

### Emory Pediatrics + Winship Flow Cytometry Core

Emory Pediatrics + Winship Flow Cytometry Core is excited to announce that the 17<sup>th</sup> Annual meeting of the SouthEast Flow Cytometry Interest Group, **SEFCIF2026**, will be held **March 12-13** at the Atlanta Marriott Northeast/Emory Hotel and Conference Center. Registration is open. **Click [here](#) for more information and to register!**

Also, the free **"Cytometry in R"** weekly mini-course, aimed at those with previous flow cytometry experience who are coding beginners, has begun. It is being offered both in-person at the University of Maryland, Baltimore and virtually. **For the list-of-topics and schedule, click [here](#).**

### Children's Clinical and Translational Discovery Core (CTDC)

As a reminder, users must submit the Biorepository Use Proposal Form, User Agreement, and a current Human Subjects approval letter from the IRB in order to obtain samples from the core. If your study does not meet the definitions of "human subjects research," you can simply fill out this [form](#). **More information can be found [here](#) on our website.**

### "Cores Corner" at Beer Core on March 4<sup>th</sup>

Pediatric Core leaders will be at our "Cores Corner" table at the upcoming Beer Core, which will be held in the HSRB I Cafe on Wednesday, March 4<sup>th</sup> from 5-6 pm. Please stop by to say hello!

*The Pediatrics Cores are generously supported by Children's Healthcare of Atlanta and Emory University. When presenting or publishing work completed using a Pediatrics Core, please include core-specific acknowledgement. If you are seeking specific language, you can find it under the "Acknowledgements" tab of the specific core [here](#).*

**Click [HERE](#) to see all of the research cores that support the Emory + Children's Pediatric Research Ecosystem.**

*For more information about our research cores, please contact [Dr. Stacy Heilman](#).*
