Children's
Healthcare of Atlanta

Note from the Director, Dr. Nael McCarty

Hey, everyone.

I was happy to see so many of you in Seattle for NACFC 2025. There was a lot of great science presented, and lots of opportunities for fun, too. I had a blast at the CF@LANTA dinner on Thursday night, and hope you did, too. Thanks so much to Clovis for setting that up. Note that we are meeting this week for two hours to go over what we learned. Please plan to tell us about the most interesting things you saw/heard. Keep up the great work!

NACFC 2025

Seattle, Washington

October 22-25, 2025

CF-AIR, CF@LANTA and our affiliates had a strong showing at this year's NACFC, with 37 speakers and 62 posters. We enjoyed seeing everyone at the CF@LANTA + CF-AIR Reception at Flatstick Pub on Thursday, October 23rd.

Congratulations to Dr. Irina Miralda Molina (pictured below) for winning the best abstract in basic science research!

We are excited for the new collaborations formed and knowledge gained from this rewarding and enjoyable time together.
